TEST REPORT

Customer Name	:	LEGACY LABORATORY & DISTRIBUTION S/B	Lab No	:	IMU026/26
Address	:		Issue Date	:	24-Mar-2026
Sample	:	Stated as "Cooling Spray"			
Sample received Date	:	9-Mar-2026			
Sample Description	:	Colorless liquid in dark amber round plastic container.			
Date Tested	:	13-Mar-2026 & 16-Mar-2026			

Test Results *If there is not enough space on this form, please attach another page/pages*

The test were performed on the sample as received.

CHEMICAL/PHYSICAL TEST

Sample ID	Parameter	Unit	Analysis Result	Test Method
IMU026/26 – 1 [Cooling Spray]	Arsenic (As)	mg/kg	ND < 1.0	In-house method IMU/TP/RL/05-based on USP233, Procedure 2 ICPMS
	Cadmium (Cd)	mg/kg	ND < 0.1	
	Mercury (Hg)	mg/kg	ND < 0.5	
	Lead (Pb)	mg/kg	ND < 2.5	

Note:

- Result < Level of Reporting (LOR) = Not Detected (ND)
- Results apply to the sample(s) as submitted by the customer in the original container.
- For chemical test, the sample is acid digested with acids using microwave digestor filtered by membrane filter (0.45µm) prior analysis

Terms and Conditions:

1. In the event IMU's Testing Laboratories are not involved in any sampling activity of the samples tested. The test results herein are only valid for the samples being tested, as provided by Customer.
2. IMU's Testing Laboratories did not give any form of guarantee on the safety and quality of the tested samples or on the products.
3. IMU's Testing Laboratories assumes no liability for any loss, claims, expenses or damage occasioned by use or interpretation of this test results.
4. All testing equipment, methods, designs, concepts, inventions, processes, trade secrets, proprietary information and know-how, uses, and/or applications used or useful in the delivery of the testing services, whether patentable or not, are the property of IMU Education Sdn Bhd/ IMU University ("IMU") ("IMU Intellectual Property"). Customer shall not use, duplicate or register any name, trademark or service mark of IMU or any of its affiliates for any promotion in any mode or on media platform or for other purposes, unless prior written consent is obtained by the Client from IMU.
5. The test reports belong to IMU. Any unauthorized use, alteration, forgery or falsification of the content or appearance of the test reports is unlawful and offenders may be prosecuted to the fullest extent of the law. No publications and/ or social media postings of the test reports are allowed without IMU's express written consent.
6. The results stated in this report relate only to items tested.
7. This report shall not be reproduced except in full, without written approval from IMU's Testing Laboratories.
8. Customer's right to recover damages caused by the negligence or breach of IMU's Testing Laboratories or its staff or designated subcontractor with respect to any testing or consulting services shall not exceed the amount actually paid by Customer to IMU's Testing Laboratories. IMU's Testing Laboratories or its designated subcontractor will not be liable for any other damages whatsoever arising from or in any way connected to the testing services or the test reports for any purpose whatsoever. In no event shall IMU's Testing Laboratory or its designated subcontractor be liable for any special, indirect, or incidental or consequential damages of any kind, including without limitation any damages with respect to loss of income, compensation or prospective profits, any expenditures, investments or commitments of the Customer, any loss with respect to business reputation or good will, or arising from the claims of third parties (including, without limitation, product liability claims). Customer further agrees to indemnify, hold harmless and defend IMU's Testing Laboratories, IMU Education and/ or IMU University, its officers, directors, agents, representatives and employees from any and all claims, liabilities, damages, and expenses on account of death or injury to any person or damage to any property, including without limitation, loss of earnings or profits, arising from or in connection with the testing services to be performed hereunder, any omissions in connection with such services or any defect related to a manufactured product where a sample of such product was tested hereunder.
